

Dear reviewers,

Although the conscientious reviewing of articles takes time, it is also a basis for ensuring high quality of the journal contents.

Please follow the instructions and duties listed below:

- Reviewer helps the Editor when selecting high-quality publications for publishing in the journal.
- Reviewer suggests with Editor intermediation to authors if there are necessary changes in order to improve article quality.
- This journal Editorial board preserves anonymity of reviewer and author identities throughout the review process.
- Any selected referee who feels unqualified to review the research reported in a manuscript or knows that its prompt review will be impossible should notify the Editor-In-Chief or Executive Editor and destroy a copy of the article, and if he/she is able to recommend potential reviewer(s).
- Any manuscripts received for review must be treated as confidential documents and content cannot be used for personal advantage.
- Any review process should be conducted objectively and should express reviewer views clearly with supporting arguments without personal criticism of the author or content.
- Reviewer should indicate clearly and with arguments what the author(s) should change to make the article acceptable for publication in the Journal "Glasnik Zaštite Bilja".
- Author(s) will be requested to provide answers to all of your comments, prior to the official acceptance of the article for print.
- Reviewer is obliged to respect the time for review and review process (fulfilling the Review sheet).

In case of any problems, please contact the director – editor-in-chief, Mrs. Katarina Lučić, MSc (e-mail: glasnik@zastitabilja.com.hr) or Executive Editor, Magdalena Zrakić, PhD (gzb.urednik@gmail.com)
